### OHA 154.05 Epidemic Hemorrhagic Fever Lantern Slide Set

**Date of Records:** 1950s

**Size:** 1 Box

**Finding Aid:** Inventory by Veda Taylor (1999); edited by Heather Lindsay (2000); revised by Eric W. Boyle (2012)

**Access and Use:** The Otis Historical Archives is committed to providing open access to its collections as far as possible within the limits of privacy and confidentiality. Access to this collection is at the discretion of the Otis Historical Archives and material contained within the records may be subject to review before access is granted. Files containing private patient information and protected administrative and grant records are currently closed to researchers.

**Series/Scope and Content Note:** These slides are from Dr. Silliphant's personal collection. They were probably created in the AFIP for medical education. Epidemic Hemorrhagic Fever is abbreviated EHF in the finding aid.
